## Rugs From The Orient

have that "mysterious something" about them which prevents one from tiring of their mystic and intricate designs. In fact as you grow more familiar with them, their beauties increase and it is real joy to be able to detect those little niceties that show the work of a master craftsman. Collectors who have made rugs a study have become enthusiastic over our display of India, Kermanshah, Tabriz, Gorovans, Bokhara, Kazacs Carabagh, Kazacjes, Daghestan and Guendjes Rugs.

Our collection is acknowledged to be the finest ever brought to Mexico. Prices from

**\$22 to \$1.200**

We respectfully insist upon a visit to this department from you as we desire that you see this wonderful assortment of Oriental Rugs whether you care to purchase one or not.
