> Vomen Object to Wording of Relief Law, Which Suggests Charity

Detroit, Nov. 2.—Applications for relief under the new mother's pen-Islan law are pouring into the probate courts of Michigan and, from present indications, thousands of dollars will 器 be expended by various counties the first year of its operation.

The law provides that women who are without means for the support of clent sum from the countles in which up to a late hour last night. they live, but no payment shall exceed \$3 a week for each child. The act is intended to keep children under Through Rates from New York 1821 club women and suffragists.

> The sponsors of the measure are now objecting to the phrase: "Dep- made of candy were also disposed of of hacienda, with the corresponding endent on the public for support," to the promenading throngs of men. figures for the same term in the prewhich is contained in the statute, and women and children who visited the ceding year, are as follows: July 1913. . But affort will be made before the booths. next legislature to have the phrase eliminated. -
